Welcome in Ticino

Dear Colleagues,

it is with great pleasure that I invite you to the 2025 Annual Meeting of the Swiss Society of Legal Medicine. This year we are excited to welcome you to the beautiful city of Locarno, where we will gather to explore the latest advances, share valuable insights and strengthen ties within our professional community. As we face ongoing challenges and innovations in the field of legal medicine, this meeting serves as a vital platform for collaboration, learning, and discussion.

I encourage you to take full advantage of the many opportunities this meeting presents, from the engaging scientific sessions to the chance to connect with colleagues and experts. Together, we can continue to advance the field and ensure that legal medicine remains a pillar of justice and integrity.

As is already known, starting in 2025 the SGRM General Assembly will be held at the SGRM Annual Meeting at the end of the scientific programme on the afternoon of 13 June 2025.

I look forward to seeing you in Locarno and sharing in the exciting discussions ahead.

Best regards,

On behalf of the Organising Committee:

Dr.ssa med. Rosa Maria Martinez
Head of the Institute of Legal Medicine
Repubblica e Cantone Ticino
