DEAR COLLEAGUES, WELCOME IN SION!

It's with pleasure that the Central Institute of Hospitals invites you to the Annual Summer Meeting of the Swiss Society of Forensic Medicine, held on the 7th and 8th of June 2024 at the Kurt Bösch University Foundation in the charming town of Sion.

This conference is a meeting of experts and a place to exchange expertise and the latest findings in forensic medicine. We look forward to your participation in jointly setting professional standards and discussing innovative approaches in our field.

Your knowledge and experience are precious to all of us, and we are looking forward to the scientific contributions and discussions that will characterize this conference. In addition to the professional exchange, the meeting also offers the opportunity to cultivate and expand personal networks in a pleasant setting.

Please note these two days, as your presence is crucial to the success of this event!

Looking forward to welcoming you in Sion, and with best regards,

On behalf of the Organising Committee:

Bettina Schrag, MD

Head of Forensic Medicine Department Valais
